EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>
Regular updates will be posted as they are available.

Comments: Why does every federal agency have to bail this Gold King Mine Corp out of their neglect. I suspect the Gold King Mind Corp wants to flush mine with water and have my tax dollar pay for their mining. Tell me it is'nt so.
